

Identifying a DOE National Lab Partner for the BES RENEW FOA

Non-R1 MSI institutions should contact the National Laboratory Points of Contact (POCs) shown below to explore partnership opportunities for BES-relevant research. When doing so, include a short description of the proposed research and potential laboratory PI(s), if known.

Laboratory	Contact
Ames Laboratory	James R. Morris , Chief Research Officer morrisj@ameslab.gov , 515-294-9649
Argonne National Laboratory	Meridith Bruozas , Director of Institutional Partnerships mbruozas@anl.gov , 630-252-1751
Brookhaven National Laboratory	John Hill , Deputy Associate Laboratory Director for Energy and Photon Science hill@bnl.gov , 631-344-3736
Idaho National Laboratory	Michelle Bingham , Director of University Partnerships Michelle.bingham@inl.gov , 208-520-9875
Lawrence Berkeley National Laboratory	Melissa Summers , Energy Sciences Area Deputy masummers@lbl.gov , 510-333-9640
Lawrence Livermore National Laboratory	Tony van Buuren , Deputy Associate Director for S&T vanbuuren1@llnl.gov , 925-423-5639
Los Alamos National Laboratory	Andrew Dattelbaum , Materials Physics and Applications Division Leader amdattel@lanl.gov , 505-665-0142
National Renewable Energy Laboratory	William Tumas , Associate Laboratory Director for Materials, Chemical, and Computational Science Bill.tumas@nrel.gov , 505-670-7430
Oak Ridge National Laboratory	Raphael Hermann , Senior R&D Staff hermannrp@ornl.gov , 865-576-4264
Pacific Northwest National Laboratory	Evangelina Shreeve , Director of STEM Education Evangelina.shreeve@pnnl.gov , 509-375-6306
SLAC National Accelerator Laboratory	Chereace Marcellin , Diversity, Equity, and Inclusion Outreach Specialist chereace@slac.stanford.edu , 650-926-3328
Princeton Plasma Physics Lab	Jonathan Menard , PPPL Chief Research Officer jmenard@pppl.gov , 609-243-2037
Sandia National Laboratories	Amanda Barry , Manager, Office of Science Support anbarry@sandia.gov , 505-263-0106

Liz Hoffman, Director of University Engagement
elizabeth.hoffman@srnl.doe.gov; 803-725-8430

The Office of Science is a steward of 10 of the 17 DOE National Laboratories. Additional information about these 10 laboratories, including core capabilities, is available at <https://science.osti.gov/Laboratories>.

Information about all 17 DOE National Laboratories can be found at <https://www.energy.gov/national-laboratories>.
