2           project-based assistance budget authority.

3           (2) The transferring project shall, as deter-  
4           mined by the Secretary, be either physically obsolete

10          (3) The receiving project or projects shall meet  
11          or exceed applicable physical standards established  
12          by the Secretary.

13          (4) The owner or mortgagor of the transferring

25          is in the best interest of the tenants.

1           (7) If either the transferring project or the re-

7           on, such project by the Secretary, except that the  
8           Secretary may waive this requirement upon deter-  
9           mination that such a waiver is necessary to facilitate  
10          the financing of acquisition, construction, and/or re-  
11          habilitation of the receiving project or projects.

12          (8) If the transferring project meets the re-

18          such agreement are of no lesser duration than the  
19          existing use restrictions.

20          (9) The transfer does not increase the cost (as  
21          defined in section 502 of the Congressional Budget  
22          Act of 1974(2 U.S.C. 661a)) of any FHA-insured

23 major threats to health and safety after written notice to  
24 and informed consent of the affected tenants and use of

19 way the use of capital funds for central office costs pursu-  
20 ant to paragraph (1) or (2) of section 9(g) of the United  
21 States Housing Act of 1937 (42 U.S.C. 1437g(g)(1), (2)):  
22 *Provided*, That a public housing agency may not use cap-  
23 ital funds authorized under section 9(d) for activities that
