Department of Energy Announces \$3.6 Million for Research on Long-Pulse International Stellarator Facilities

Announcement Number:	DE-F0A-0003211	T	1	List Posted:	9/18/202
Principal Investigator	Title	Institution	City	State	ZIP Code
Smith, David	Two-Dimensional Beam Emission Spectroscopy Turbulence Measurements at Wendelstein 7-X	University of Wisconsin	Madison	WI	53706
Demers, Diane	An Ion-Beam Probe to Advance Understanding of Electric Fields and Turbulence in Wendelstein 7-X	Xantho Technologies, LLC	Madison	WI	53705
Geiger, Benedikt	Exploring Ion-Heat, Particle, and Momentum Transport During Neutral -Beam-Heated Plasmas at Wendelstein 7-X	University of Wisconsin	Madison	WI	53706
