

Stay-All-Day Activity Feedback Form

We value your feedback on the use of the Stay-All-Day activities posted on the NSB website. We also welcome suggestions for new activities. We strive to improve and add to the activities provided to improve the experience of all students at their regional National Science Bowl competitions. Thank you for your input!!

This form or any other type of feedback can be faxed to National Science Bowl Coordinator at (202) 586-0019 or emailed to national.science.bowl@science.doe.gov.

1. What activity did you use? _____
2. What age group did you use it with? _____
3. How many students participated? _____
4. How many adults did you have supervising? _____
5. Approximately how long did it take? _____
6. Did you modify the activity before using it? *Not at all* *A little* *Pretty extensively*

If you modified the activity, why? Also, please consider sending us your version.

7. Would you use this again? *Yes* *No* *With changes*

Please tell us that worked well, what needs to be changed, if you thought the age designation is correct, if it ran too long or short, etc.
